Steps – Setting Up a New Driver

1. Select 'Drivers' from the 'Setting' drop down menu.
2. Click 'Add'.
3. Enter Drivers Name followed by their mobile number allocated for bus route.
4. Enter a four digit pin number.
    a. We recommend the pin be the last four digits of driver's mobile number.
    b. Drivers who use RollCall through two different schools need a different pin for each school. They can use the same phone number, but the pin must vary between the schools.
5. Click 'Save'.
